

CAPA London Center

**146-148 CROMWELL ROAD
SOUTH KENSINGTON
LONDON SW7 4EF**

**Monday to Thursday: 9am-8pm
Friday: 9am-5pm**

The CAPA London Center comprises two connected Victorian buildings with seven floors.

- You will enter the center through No. 148 and walk into a ground-floor reception area which contains the lively student social area, known as CAPAccino, as well as a combined library and study space.
- As you continue to each floor—up the stairs or elevator for those with any physical difficulties—you will pass our 11 classrooms where your classes throughout the semester will take place (including our drama studio ‘The Street’ and our Global classrooms), faculty offices, further quiet study space, and numerous restrooms.
- Though this is not a typical University campus experience, you will find all that you need to have a successful study abroad experience within the Center.
- Your dedicated student-facing teams—Program and Student Services, Internships, and Academics—all reside at the lower ground level, making it easy for you to connect with all departments.
